

South Shore Improvement Association Inc.

Directors Meeting - June 6, 2021 (Following Monthly Meeting)

Meeting held to discuss how the Association should move forward on a member who did not complete the mooring agreement prior to their watercraft being placed in the harbor.

It was decided on to send a certified letter from the Association to this member and give the member 10 day to complete the agreement, or further action would be taken. All Directors in attendance in agreement. Letter to be reviewed by all Directors prior to its mailing.
